

St Gluvias Parish Council Response to Coronavirus

As a community we will work together to

Help those most at risk

- People over 70
- People with an Underlying Illness
- Pregnant women

Help people who **have to self-isolate** due to displaying signs of coronavirus

To achieve this, we propose to

- Set up an organisational group (include St Gluvias PC – Shop – Pub and School)
- Use Street Ambassadors to coordinate communication at a street to street level
- Identify volunteers to help with co-ordination/ deliveries etc
- Identify those groups at risk (as above) and those who have to self-isolate; We will offer assistance to these groups - typically deliveries of shopping essentials/ prescriptions and help to top up utility meters etc)

Communications

We will use the following to communicate what we are doing

- Facebook – Ponsanooth Post
- Facebook – St Gluvias Parish Council
- Notice boards around Village (Principal Board outside Shop)
- Leaflet drop door to door
- Ponsanooth Post – Magazine

Advice

- We advise everyone to follow Government advice and Advice from NHS
- If you are showing symptoms or have health concerns use NHS 111 online or call NHS 111
- We will put latest advice on notice boards
- We will have limited resources so we will concentrate our efforts on those groups that are most at risk

Feedback

- We welcome constructive feedback and suggestions (use facebook or Written message in shop or pub)
