

Ponsanooth Road Safety Group

Meeting – Thursday 18th August 2022 Ponsanooth Hall Meeting Room

Attendees – Darren W, Hannah, Chris, David, Marilyn, Darren L, Pam, Lorna

Agenda:

1. Minutes Approval
2. Apologies
3. Solar Speed Camera Location Update
4. Footpaths
5. 20mph - Council and Contracting Companies Speeding (Hannah)
6. Road Signs in Village/Budget inclusion (Pam)
7. Any Other Business
8. Next Meeting

Minutes

1. Apologies

Sally, Louise

2. Approval of last meetings minutes

Group approved last meetings minutes.

3. Solar Speed Camera Location Update

Peter Williams has visited the proposed sites with Cornwall Councillor, whom approved the location of the sign outside of the village hall in the layby. The village hall committee have approved the location.

Waiting on Cormac to install the post and sign.

Chris will forward Viv's email outlining the technical report on the locations. Viv suggested a second pole location.

The sign data once installed can be downloaded via Bluetooth to the app Evo Mobile. Hannah volunteered to gather this data monthly before each meeting for review and collation.

Action: Hannah to add the proposed Speed Watch Locations onto the plan for circulation.

4. Footpath Delivery Project

Darren recapped proposed locations for new footpaths.

Parish Council have been given £10,000 from the developer of old garage to contact the village with a footpath to the new development. We will need to find out who the land owners are on the proposed area where a path could be located.

Chris suggested we invite the land owners in the area of interest to a meeting to discuss the aims and objectives of footpath development.

Hannah shared the Ramblers Lost Footpath information with the group. There are no lost footpaths in the areas of interest though a handful in the Parish Boundary.

The 1888 OS map does show a track through Ice Wood, which could possibly be marked in the future as a lost footpath and potentially in the long run be re-established by the Ramblers as part of the project. This would allow potentially be a route from the village to the Viaduct Works.

Actions:

- **Hannah to outline on a plan the two areas of interest where land ownership details need to be applied for and share with the minutes.**
- **Darren to apply for landownership details.**

5. 20mph Council and Contracting Companies Speeding (Hannah)

David says the Council vehicles have trackers on so you can report a speeding vehicle and they can find out what speed they are travelling through the village.

Suggested the Parish Council write to the haulage companies about the new speed limit – can take to the next Parish Council meeting in Groups Report.

6. Road Signs in Village/Working Group Budget (Pam)

The lanes around the village are lacking information signs – pedestrians, horses etc. Could this be something which is included in the groups budget?

Darren has included this in a draft budget – see below.

7. Any Other Business

BUDGET – Darren outlined a draft list of budget items:

Landownership - £50
20's Plenty Banner - £40
20 Wheelie Bin Stickers - £70
Printing and Copying - £10
Meeting Room Hire - £120 per year
Additional Road Signs – ?
Road Signs designed by Children - ?

Actions:

- **Chris to speak to Viv at Cornwall Council if they can provide Additional Road Signs them but there may be a delay on.**
- **Hannah to find out quote for road signs designed by children.**

Speed Watch – Still waiting on confirmation on locations.

White Lines in village – Group to write to Council to ask them to reinstate.

Action: Hannah to contact Peter Williams with regards to it.

Yellow Lines at junction outside the Post Office aren't stopping people parking on the junction to visit the shop. Add as an issue. Potential area for soft measure like a sign to be installed.

30mph stickers - No requests for them at northern end of St Michaels Road – suggested they are put through letter boxes.

Current Projects:

- 30mph Wheelie Bin Stickers – distribute to properties at the Western End of St Michaels Road in the 30mph zone.
- Village Gateways – Design and location will be consulted at on in the near future all being well.
- Pavement Widening Opposite the Stag Hunt Inn – looking at alternative funding streams.
- H Lines on St Michaels Road Driveways
- Safer Streets Project with Village School
- Poplar Cottage Safer Pedestrian Area – Peter Williams Councillor to contact residents.
- Footpaths – to come under a new sub-group.
 - Link from Western End of the Village to Village Centre – 10k of funding from the old garage developer to put in the footpath link.
 - Link from village centre to Viaduct works and Cosaws.
- Parking Issues in the village
 - Island adjacent to the Stag Hunt Inn.
 - St Andrews Terrace.
 - Commercial Hill.
- Planters – need to decide on locations in the village when received them after the Jubilee.
- Speed Limit Zones and Signage – including Lower Treluswell 60mph zone.

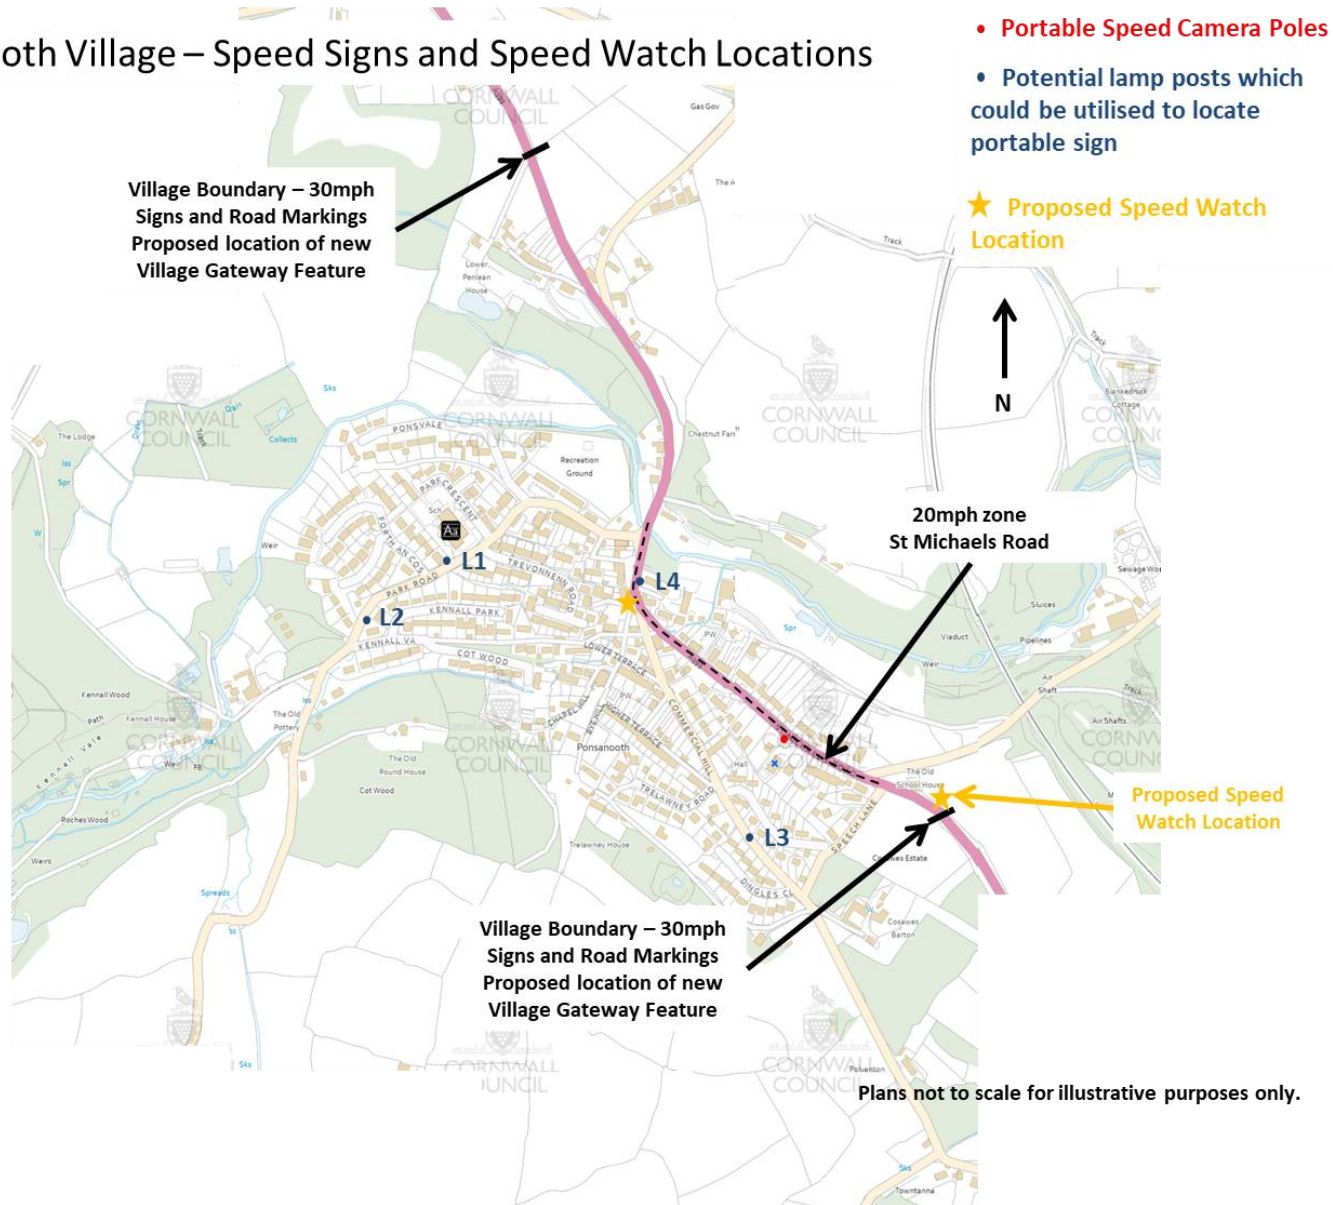

Date of next meeting:

Thursday September 29th 7pm Village Hall
