

# PONSANOOOTH PARISH ACTION PLAN

## Aims

Ponsanooth Parish Council seeks to work with dedication for all the community. The Council strives to improve existing services and always welcomes feedback and involvement from parishioners.

The following document is to be considered and worked on with Parish Councillors using the Vision document, drafted by the Clerk Mary Gosling.

## Vision Themes to consider when prioritising projects

- 1 Local services are protected and enhanced
- 2 Ensure future generations of local families can remain in the Parish
- 3 A Parish that is more adaptable to the future; e.g. climate change
- 4 Better Transport connections, cycling, rail, footpaths and road
- 5 A parish that embraces renewable energy
- 6 Activities and facilities for under 25s
- 7 Protect Open Green Spaces, tree canopy and the diversity of natural habitats
- 8 Developments are respectful of the parish heritage, adding value to the community
- 9 An environment where people can live and work locally - promote local employment and create outdoor spaces for exercise and recreation for all
